Property Details

13 Glenview Road, MONBULK

PRIVATE AND PEACEFUL

\$410,000 -

\$450,000

Welcome to this 4.36 Hectare of land that offers not only privacy but the opportunity to live in harmony with nature on this conservation environment. The choices are endless here, build your dream home, as there were previously plans and permits approved for a 4-bedroom dwelling in the past, which has since expired. Start designing your forever home STCA or you could have an Eco Pod which presents an alternative to traditional construction methods and incorporate off-site manufacturing techniques to create efficient retreats which are also removable, being perfect as a weekender or to live in whilst the home is being built. There is also the option of saving money on rental costs while the build is underway and being on-site to supervise the build, once complete the Eco Pod could then be sold. The land is rich with native grasses, ferns, banksias, and rich macro fauna of wallabies, echidnas, wombats, owls, and an amazing bird life. Additional appealing features is the location, being approximately a 5-minute drive into Monbulk central, with its secondary and primary schools, the Aquatic center, newly built soccer field, Aldi, and Safeway as well as the bus service into Belgrave. This is a rare parcel of land so don't delay in asking for an inspection.

JAN BREWSTER

SENIOR SALES CONSULTANT

janb@rangesfn.com.au

After a stellar career in project management/development and marketing in the “inner city” building industry, Jan Brewster knew that the ultimate test of her sales and marketing skills would come from the challenging residential real estate marketplace. Jan’s results over 20 years of working in the Dandenong Ranges have grown to match her extraordinary skills. So much so that her reputation is recognised year after year as a top female agent in the area and she has recently been awarded the Gold Award in sales for Victoria, and winning the ‘Home Sellers Choice Award’ as Agent of Choice from Open Agent for outstanding customer experience.

We talk about the 3 P’s in real estate; Price, Presentation and Promotion, if all of these line up correctly, the property will sell in the shortest possible time and for the most amount of money. My job as a selling and marketing specialist is to provide advice on the presentation that will have a significant impact on the final result. Jan prides herself on helping her clients to achieve success in selling as well as offering advice on buying.

Jan’s dedication to the job is reflected in her consistently high results. One of her most memorable was selling a home in Monbulk that set the suburb record price for a residential property, being sold in excess of \$1.4mil. Not only this campaign but all her sales campaigns are tailored to the highest quality when it comes to marketing and Jan works tirelessly to get her properties the best exposure to buyers; local or from afar.

Jan’s attitude towards her work is simple – “For me, it’s all about showing my clients how I can achieve the best possible price, and to make the whole experience of selling as stress-free as possible.” The fact that Jan continues to be referred onto new clients is a testament of not only her outstanding results but her work ethic and genuine care shown to every client. That’s her definition of success! Outside of work, Jan loves spending time with her grandchildren, entertaining with family and friends, her garden provides great pleasure as well as her adorable fur baby Cooper.

Welcome to First National Real Estate Ranges

We're dedicated to delivering an exceptional experience from our Belgrave & Cockatoo office's, so every member of our team strives to make a difference. That begins with our promise – ***We put you first.***

When you need real estate services, it's hard to beat a brand that has been independently endorsed as having Australia's most satisfied customers but that's us, so relax.

To find out which real estate agents rate most highly across Australia, Canstar Blue surveyed adults who had employed an agent over the last three years, whether it related to the buying or selling of a property, lease management, or renting. It found First National Real Estate has been impressing more than any other firm, taking out five-star reviews from consumers in almost every single category, including communication and advice, problem resolution and value for money. In fact, no other real estate agent achieved top marks in any area.

So, whether you're looking to rent, buy or sell a property in Avonsleigh, Belgrave, Belgrave Heights, Belgrave South, Clematis, Cockatoo, Emerald, Ferny Creek, Gembrook, Kallista, Macclesfield, Menzies

Creek, Monbulk, Olinda, Tecoma, The Patch, Selby, Sassafra, Sherbrooke and Upwey our team will help you find the perfect place.

Visit the First National Real Estate Ranges Team at one of the two office locations or call us, 03 9754 6111 or email sales@rangesfn.com.au.
